The Beach Cove Resort is an oceanfront resort in North Myrtle Beach, South Carolina, that provides a tropical paradise setting. It is an ideal venue to reconnect with our JHS classmates in a comfortable environment with a variety of appealing activities.

The resort's oceanfront suites are available in one, two and three bedrooms, and the three-bedroom suites sleep up to ten people! Each room features a balcony and kitchenette.

You will be able to walk directly to the beach. You can enjoy the resort's ocean front pool deck with heated pools and whirlpools. You can float on a 350-foot lazy river, plus enjoy a heated indoor pool and a whirlpool. The Resort also features several restaurants, an arcade and exercise facilities.
